## 2022-23 DONOR HANDBOOK

*Ole Miss*

ATHLETICS  
FOUNDATION

Dear Rebel Nation,

After a historic 2021 football season for Ole Miss, we are excited to see what 2022 will bring, not only for our student-athletes on the field, but also for our recently launched CHAMPIONS. NOW. capital campaign. Ole Miss Athletics programs are stronger than they have ever been.

Through your support, the CHAMPIONS. NOW. campaign will transform facilities for our football, softball, soccer, baseball and golf programs, providing championship-level resources for our student-athletes and our coaches the means to attract championship-level talent. As a foundation of philanthropic donors, we have the opportunity to secure a seat for Ole Miss Athletics among the nation's elite. We thank you for all you have done and continue to do to help build some of the nation's most competitive programs.

As our major gifts team continues to push for support for the CHAMPIONS. NOW. campaign, we encourage continued annual giving. Our Annual Fund consists of priority seating donations, 110% and beyond priority seating and general membership for football, men's and women's basketball and baseball. The Annual Fund is vital to the operation of Ole Miss Athletics, helping to fund athletics department operations, including coaching staffs, scholarships, recruiting, technology, equipment, gameday expenses and more.

Your donations have allowed our student-athletes to achieve more than ever before. Last year, Ole Miss Athletics finished 22nd in the Directors' Cup, the program's highest finish ever. The fall season brought even more success, including top-15 finishes at NCAAs for men's and women's cross country, NCAA berths for volleyball and soccer—and a 10-3 season and Sugar Bowl trip for football. We are excited to see what the spring will bring with baseball and rifle each ranked in the top five and five other programs in the top 25.

As our current student-athletes prepare for their seasons, we are also working on new outreach and engagement initiatives to enhance our relationships with former student-athletes. Former Rebel athletes know firsthand the value of our donors' generosity and can speak better than anyone how contributions provide opportunities and change lives. Testimonies like those from our former student-athletes will hopefully encourage donor base growth. The more we are able to expand our supporting fan base, the more we will grow competitively in the coming years.

We thank you again for your incredible dedication to Ole Miss Athletics. Together, we can take Ole Miss to a higher level with a new standard for excellence. We look forward to the journey with you. Thank you, always.

Go Rebs!

# FREQUENTLY ASKED QUESTIONS

---

## **How do I transfer tickets/parking/priority points?**

You may transfer seats as a benefit of your Capital Gift Agreement (CGA) in football and men's basketball and your personal seat license (PSL) in baseball. Seats not covered by a CGA or PSL may be transferred by completion of a transfer form and a transfer fee of \$250 per seat. Parking is not transferable because it is reallocated annually. Priority points are not transferable because they are a measure of past support of Ole Miss Athletics.

## **How are away game and neutral site tickets allocated?**

Tickets for away games and neutral sites are allocated based on blue priority points, availability and annual giving level. All ticket requests are ranked based on blue priority points immediately following the posted deadline. To determine your ticket eligibility, please view the annual fund benefits chart on page 4. Members are assigned the best available seats as provided by the host site based on their blue priority points. No refunds or exchanges will be issued based on seat location.

## **Are giving plans available?**

The Ole Miss Athletics Foundation offers a flexible monthly giving option for members to make their donations. All giving plans with the Ole Miss Athletics Foundation must be completed by December 15, 2022. It is Ole Miss Athletics Foundation policy to hold tickets and parking for all accounts that fall behind on any giving plans. Please contact the Ole Miss Athletics Foundation at 662-915-7159 or [omaf@olemiss.edu](mailto:omaf@olemiss.edu) to set up a giving plan.

## **What forms of payment are available?**

The Ole Miss Athletics Foundation accepts cash, check, credit card, ACH fund transfers, and gifts of stock.

The Vaught Society was started in 2005 as an exclusive group of donors who had contributed over \$350,000 in their lifetime to Ole Miss Athletics. These generous individuals have built the foundation we stand on today, and we are eternally grateful for their support. Members of the re-structured Vaught Society make commitments of at least \$25,000 which are fulfilled over a five year period.

The Vaught Society is the cornerstone of the Ole Miss Athletics Foundation donor base, driving fundraising efforts on all fronts in support of Ole Miss and its quest for conference and national championships. Currently, the Vaught Society is leading the charge in Ole Miss' CHAMPIONS. NOW. capital campaign, which will transform facilities for the Rebel football, baseball, softball, soccer and golf programs and provide them with the resources they need to bring championships back to Oxford.

With over 500 members, the ever-growing Vaught Society has generated more than \$125 million in philanthropic support for Ole Miss Athletics. As the major gift fundraising arm of the Ole Miss Athletics Foundation, all Vaught Society pledges are currently being directed toward the \$350 million goal set by the CHAMPIONS. NOW. campaign. These major gift commitments are above and beyond any priority seating annual donations. In recognition of their generosity, Vaught Society members gain access to an exclusive stewardship program.

If you would like to discuss the Vaught Society in more detail with an Ole Miss Athletics Foundation staff member, please email [vaught@olemiss.edu](mailto:vaught@olemiss.edu) or call (662) 915-7159.
